STIPULATED JUDGMENT

NOW COME THE PARTIES, by and through their respective counsel, and hereby state the above-captioned matter has been resolved. Defendant admits its decision to enter into a contract for sewer repair on Brother Street in July 2011 should have been deliberated and decided by an affirmative vote of the Ludington City Council at a meeting open to the public; and therefore, was done in violation of MCL 15.263(2) and MCL 15.263(3).

Defendant agrees to pay Plaintiff's attorney fees of \$4,500.00 plus Plaintiff's court filing fee of \$150.00 within fourteen (14) days following entry of this stipulated judgment.

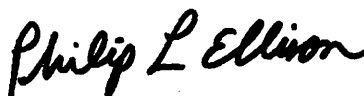

This resolves the last pending claim and closes the case.

IT IS SO ORDERED.
