

STOP

THE UNVOTED LAKE-LEVEL TAX!

Join the 'Headlee' Lawsuit Against Part 307 of NREPA

- The 1978 Headlee Amendment says no new taxes or tax hikes without voter approval.
- But counties are skirting the law, disguising taxes as “special assessments.”
- It’s taxation without representation — the very thing our Constitution was written to prevent!
 - You didn’t vote for it.
 - You can’t opt out.
 - *Yet you’re forced to pay.*

JOIN THE LAWSUIT:

- No out-of-pocket to join.
- Your voice helps strengthen the case.
- You could help protect all Michigan taxpayers from future abuse.
